(57) **ABSTRACT**

A method and system for playing video poker wherein a primary five card hand is dealt and secondary hands is played from the discarded cards of the primary hand. The remaining cards for each hand are dealt from the remainder of a deck of cards which can be a standard deck of 52 cards. The game may be played on site at a legal game casino, in a non-gambling mode on-line over the internet, or off-line on a home computer using a disc such as a compact disc. The game could also be played as a legal game in gambling or non-gambling mode at a tavern, bar, or the like.
